

Countdown: 26 days until the opener

September 19<sup>th</sup>, 2022

Eagle Lakers,

I hope everyone had an enjoyable summer and did some fun and exciting things with the family. We have lots of positive things going on around here. We just finished the work party weekend and got all the blinds camouflaged for the season. We will start filling ponds this week and start putting in pits as crops get harvested. Our corn harvest is still about a month away but the crops look great. Most of our corn ponds look fabulous and the ducks are just waiting for us to add water.

Ryan and the crew are off to Grande Prairie, Alberta Canada tomorrow morning. This is the first time we have been up there in a few years. If you haven't experienced Canada before, talk with Ryan this fall about getting on the books for 2023. Shooting limits of ducks and geese in the same day is pretty amazing.

We are on the home stretch of another incredible dove season, other than a couple of slow hunts on sept. 2<sup>nd</sup> the shooting is still wild. We are not as busy as the opening 4-5 days but there is still plenty of birds around.

We still have some open duck days at the lodge; lots of October dates right after the opener, 9 rooms on the 17<sup>th</sup>, 11 rooms on the 18<sup>th</sup> and 19<sup>th</sup>, 10 rooms on the 20<sup>th</sup>. November dates are slimming down but we have 6 rooms on the 1<sup>st</sup>, 8 rooms on the 2<sup>nd</sup>, 7 rooms on the 3<sup>rd</sup>, 9 rooms on the 6<sup>th</sup>, 4+ rooms on the 13<sup>th</sup> and 14<sup>th</sup>, 9 rooms on the 28<sup>th</sup>. The first week of December has lots of rooms available so get those dates booked before they are gone, 3 rooms on the 19<sup>th</sup>, 7 rooms on the 20<sup>th</sup>, just before new years and on new years day has 3+ rooms available, 5 rooms on the 12<sup>th</sup>, 5+ rooms on the 16<sup>th</sup> and 17<sup>th</sup>, and the last few days of the season, starting on the 25<sup>th</sup> has 7+ rooms available for you to come shoot ducks and geese every day! We had a cancellation on some terrific dates, Nov. 21<sup>st</sup>, 22<sup>nd</sup>, and 23<sup>rd</sup>, lets get these dates filled and come have a blast with us!

Our goose harvest numbers just keep exploding every year. With the snow goose numbers off the charts in our area, there has never been a better time to be a goose hunter. We still have some availability for some quality dates. October honker hunting has been so good the last few years. We have 5 new farms under lease control for the 22-23 season. Don't miss out!!

Happy Hunting,

Mike B
